Upcoming Overnight Lane Reductions and Ramp Closures - March 19 - 20, 2026

As part of preparatory fieldwork for future Gardiner Expressway Rehabilitation Section 3 work, the following overnight lane restrictions and ramp closures will be in effect. While this work is not part of the current construction activities, it will occur in the vicinity.

All work will take place overnight between 11 p.m. and 5 a.m. when traffic volumes are lower to help ensure the safety of crews and the travelling public.

 - Westbound Gardiner will be reduced to:
 - Three lanes from Grand Avenue to the Islington Avenue off-ramp, and one lane along the Islington Avenue off-ramp;
 - One lane from the St. Lawrence Avenue off-ramp to the Kipling Avenue on-ramp;
 - Two lanes from the Islington Avenue off-ramp to Kipling Avenue;
 - One lane along the Kipling Avenue on-ramp, four lanes from the Kipling Avenue on-ramp to the East Mall off-ramp, and two lanes along the East Mall off-ramp to Highway 427.
 - The westbound left shoulder will be closed along the Kipling Avenue off-ramp.
 - The westbound left shoulder will be closed over The East Mall.
