DIRECTOR, REAL ESTATE SERVICES
MANAGER, REAL ESTATE SERVICES

TRACKING NO.: 2025-061

Approved pursuant to the Delegated Authority contained in Article 2 of City of Toronto Municipal Code Chapter 213, Real Property

Prepared By:	Boluwarin Mojeed	Division:	Corporate Real Estate Management
Date Prepared:	February 19, 2025	Phone No.:	437-996-8720

Purpose	To obtain authority to enter into an amending agreement (the "Amending Letter Agreement No. 10") to include additional lands as described under Schedule "B69", "B70" and modify the lands from previously described as more clearly outlined under Schedule "B21", "B24", "B30", "B31", "B53", "B55", "B58", "B65", of the Master Licence Agreement for the purpose of public recreational uses within hydro corridor lands, between the City of Toronto (the "City"), and Ontario Infrastructure and Lands Corporation ("OILC") acting as an agent on behalf of His Majesty The King in Right of Ontario as represented by the Minister of Infrastructure (the "Licensor").
Property	The overall licensed area in the Master Licence Agreement area consists of certain lands within hydro corridors, comprising approximately 1,199.692 acres (the "Licensed Area"), as described more particularly in Schedule "A" of Appendix "A". Land as shown more particularly in Schedule "B69", "B70" as shown in Appendix "B" – Location Maps of Added Lands and listed in Schedule "C" of Appendix "A".
Actions	1. The City to enter into the Amending Letter Agreement No. 10 with the Licensor to add the Additional Lands to the Master Licence Agreement on the terms contained in the Master Licence Agreement and any such other or amended terms and conditions deemed appropriate by the Director, Transaction Services or his/her designate and in a form acceptable to the City Solicitor.
Financial Impact	<p>Pursuant to the Master Licence Agreement, the City is obligated to cover 50% of the annual taxes or grants/payments in lieu of taxes (PILT) for the Licensed Area. The estimated annual PILT for the Licensed Area, starting from the 10th Amendment retroactive January 1, 2025, and extending until the term concludes on December 31, 2030, amounts to \$41,903.55 (no HST). This figure reflects an additional \$6,983.93 annually since the 9th Amendment, attributable to the inclusion of additional lands.</p> <p>Payments are available in the 2025 Council Approved Operating Budget for Parks, Forestry & Recreation under cost centre P06827 and will be included in future budget submissions in the later years.</p> <p>The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial implications as identified in the Financial Impact section.</p>
Comments	<p>By the adoption of GM33.6, City Council, at its meeting on August 25, 26, and 27, 2010, authorized the Master Licence Agreement between the City and the predecessor to OILC, Ontario Realty Corporation, acting as an agent on behalf of His Majesty The King in Right of Ontario, for the use of lands in the hydro corridor for various park uses. The proposed multi-use paths are considered "park" use. By the adoption of GM20.8, City Council, at its meeting on April 3 and 4, 2013, authorized staff to enter into agreements with the Licensor using the Licensor's form of indemnity and release language. As of the Second Renewal, lands under the Master Licence Agreement comprised a licensed area of 994.30 acres. Subsequently, with Amending Letter No. 9, the total area increased to 1,192.067 acres. As part of Amending Letter Agreement No. 10, the total area increases to 1,199.692 acres due to the proposed use of the Additional Lands, resulting in an increase of 7.625 acres.</p> <p>Pursuant to Section 2 of the Master Licence Agreement, the Licensor has agreed to amend the agreement by adding the Additional Lands to the Licensed Area, as outlined and defined in the Master Licence Agreement. Through DAF 2022-173, the City entered into a Master Licence of Land Renewal Agreement for the continued use of lands within various hydro corridors for parks and recreation purposes, commencing on January 1, 2021, for a ten-year term. Subsequently, through DAF 2024-003, the City entered into Amending Letter No. 9 to continue the use of these lands, with additional lands added in various hydro corridors for parks and recreation purposes. The City is now entering into Amending Letter Agreement No. 10 to further extend the use of the lands, incorporating additional lands within various hydro corridors for parks and recreation purposes.</p>
Terms	The term of Amending Letter Agreement No. 10 shall be retroactive to January 1, 2025, as it applies to the Additional Lands, and will terminate on December 31, 2030, in accordance with the provisions of the Master Licence Agreement.
