CONSTRUCTION IMPACT **Wincott Drive & Wincott Park**

Contract: 25ECS-LU-03FP
Approximate Start Date: March 17, 2026
End Date: April 7, 2026

*Content/dates subject to change

The City of Toronto is modifying and upgrading the storm and sanitary system in your area to reduce surface and basement flooding. Due to the depth and nature of the construction work, there will be traffic impacts in your area. Wincott Drive, from the intersection of Nugent Road to Wincott Park, will be closed from **7:00 A.M. on March 17, 2026, to 5:00 P.M. on April 7, 2026.**

This project is part of the Council-approved 2025 Basement Flooding Protection Program to improve the water distribution system, renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.

WORK DETAILS

The contractor will:

- Excavate in Wincott Park, north of the guard rail on Wincott Drive, to install the storm and sanitary sewer and allocate space on Wincott Drive, north of Nugent Road, for material storage during construction. Followed by restoration of the area at a later date.
- Excavate on Wincott Drive, from the intersection of Nugent Road to Wincott Park, to install the storm and sanitary sewer and allocate space on Wincott Drive, north of Nugent Road, for material storage during construction. Followed by restoration of the area at a later date.
- Local and emergency access will be maintained.

MAP OF WORK AREA

Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users, and residents.

Traffic Detour:

- Wincott Drive will experience **road closure** to all traffic. Road closure will occur north of the Nugent Road and Wincott Drive intersection.
- Traffic can travel south-east, to Wincott Drive via Tyler Place, and north-west to Nugent Road via Tyler Place.

Driveway Access:

During the road closure, residents will have access to their driveways except when construction is occurring in front of their property. Driveway Impact Notices will be

	<p>distributed on an ongoing basis as necessary.</p> <p>When driveway access is not available, please park in a legal spot on a local side street and display the Driveway Impact Notice in your windshield.</p>
	<p>Pedestrians: The work may require temporary sidewalk restrictions; however, any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.</p> <p>Park Access: Park entrance to remain closed within work area. Pedestrians are encouraged to use the designated park entrance on Poynter Drive.</p>
	<p>Work Hours: Work will take place during the weekday from 7:00 A.M. to 5:00 P.M.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
