## Notice of Commencement of Environmental Assessment Scarborough Bluffs West Project

The City of Toronto and Toronto and Region Conservation Authority (TRCA) are beginning an Environmental Assessment under the *Environmental Assessment Act*, which will explore the enhancement and protection of sensitive shoreline and natural areas, in addition to opportunities for improved waterfront experiences and access to and along the shoreline between the Eastern Beaches (Silver Birch Avenue) and Bluffer’s Park along Lake Ontario.

The project will consider opportunities to:

- Preserve and enhance the natural environment, including the cultural significance of the Bluffs
- Minimize natural hazards and risks to public safety caused by erosion
