

## 35 Bellevue Ave. Community Bulletin – May 15, 2026

### Work in Progress and What to Expect Between May 15 and May 29, 2026

#### Building Construction

Crews continue to install electrical, heating, ventilation, and air conditioning systems inside the building.

#### Roof Installation and Concrete Topping Pours

Roof installation will continue through May. This work will involve:

- Up to four cherry pickers on site to lift crews and materials up to roof level
- Crew members working on the roof to install insulation and prepare levels 2, 3, and 4 for concrete pours

Concrete pours for the floor are expected to be complete by Friday, May 22. Concrete pours will likely take place between 9:00 am and 1:00 pm. Trucks will arrive throughout the day and pump concrete up to each floor.

Once concrete pours are complete, crews will begin working on siding and closing the building envelope.

#### Working Hours

Construction working hours are as follows:

- Monday to Friday: 7:00 am to 7:00 pm
- Saturday: 9:00 am to 7:00 pm

There will be no construction work on Victoria Day, Monday, May 18.
