Watermain Replacement and Road Resurfacing on Yonge Street from Melinda Street to Wellington Street East

Contract: 26ECS-LU-06SU

Original Start Date: Spring 2026 | Revised Start Date: September 2026

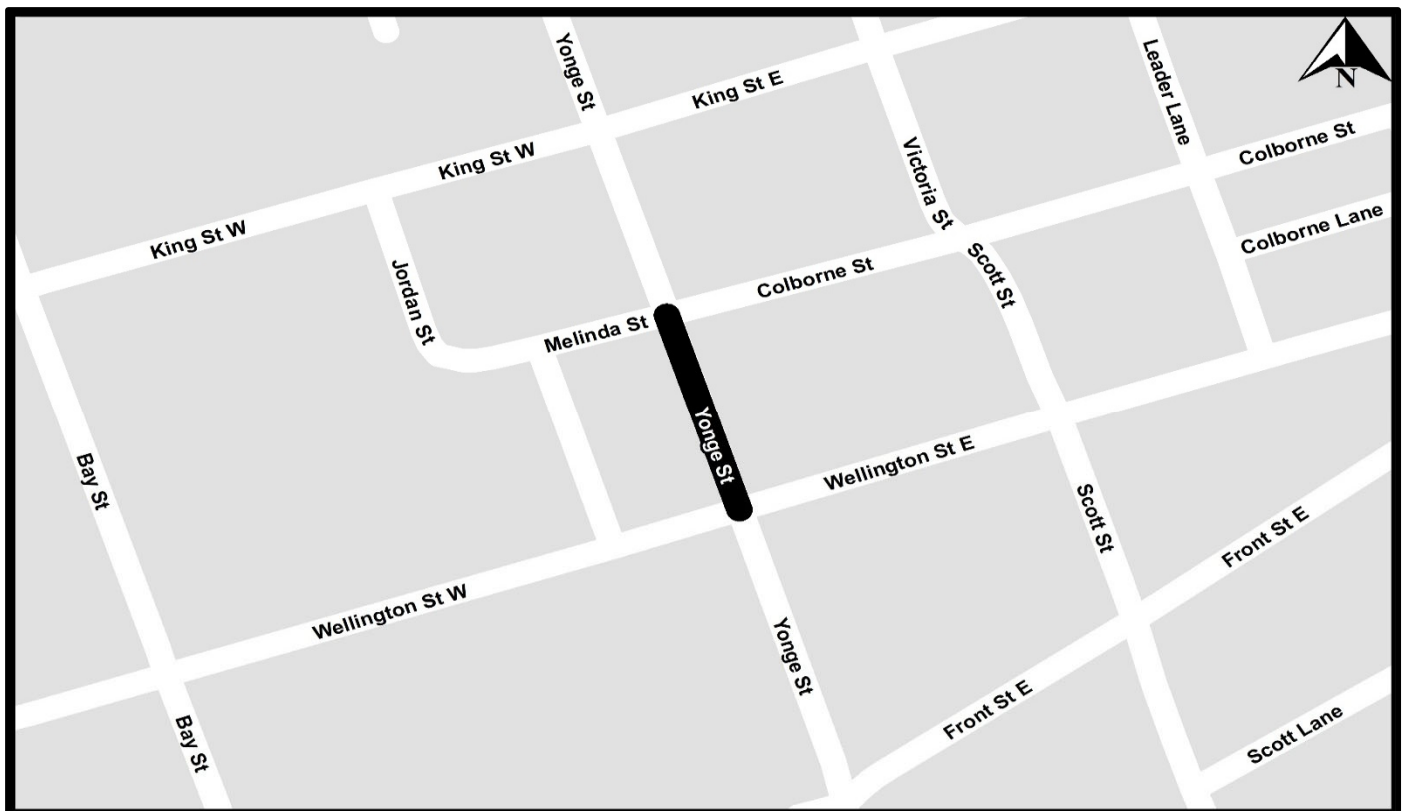

Original End Date: Winter 2026 | Revised End Date: Spring 2027

In December 2025, the City of Toronto notified residents of planned Watermain Replacement and Road Resurfacing on Yonge Street from Melinda Street to Wellington Street East (see map).

Construction on these streets is being deferred to September 2026, in order to ensure all necessary field data, site conditions, and utility information are accurately captured and reflected in the final design. This additional time will support a safer, more coordinated, and constructible solution.

An update will be provided before work is to take place again.
