#DOT26

Explore Toronto's unique sites and buildings for free and discover the world in a city.

This year we celebrate the people, places and stories that make the city a global mosaic. From architectures inspired by the many cultures and traditions that call Toronto home to buildings that act as community gathering spaces, this year we look at how diversity has been Toronto's strength since its founding.

Locations are open from 10 a.m. to 5 p.m. unless otherwise indicated, and many provide guided tours and engaging experiences. Scan the QR code on the map cover or visit toronto.ca/DoorsOpen for site-specific programming and physical accessibility details.
