Weekend Sanitary Sewer Work on Scott Street from The Esplanade to Front Street East

Contract: 24ECS-LU-03TT
Start: Saturday, May 9, 2026 (7:00 a.m.)
End: Sunday, May 10, 2026 (7:00 p.m.)
Timeline is subject to change.

The City of Toronto is providing an update regarding the ongoing Phase 2 sanitary sewer installation on Scott Street. Due to recent weather-conditions and to accommodate the operational demands of local stakeholders, weekend work has been scheduled for the morning of **Saturday, May 9, 2026**.

Operations for this shift are expected to begin at approximately **7:00 a.m. and conclude by 7:00 p.m.** Following the completion of these weekend tasks, crews will transition back to regular daytime hours to continue essential utility work on the west side of Scott Street, just north of The Esplanade.

Please be advised that the project schedule remains subject to change based on weather conditions. The contractor will make every effort to minimize noise and disruptions to nearby residents and businesses.

We sincerely appreciate your continued patience and cooperation throughout these essential infrastructure improvements.

WHAT TO EXPECT DURING CONSTRUCTION

- Heavy equipment will be operated during the weekend construction period, and you may experience dust, noise and other inconveniences. We will be implementing dust-control measures and noise-reduction efforts to keep disruptions to a minimum.
- Please note that all construction vehicles are equipped with mandatory backup warning/signalling beepers. These devices are required for the safety of construction crews and cannot be disabled.
- The City will not be responsible for damage to any privately-owned items on City property, so please ensure that you remove/arrange for the removal of such items.

	<p>Road and Sidewalk Access: To complete the work in a safe manner, there will be some road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to driveway access. This overnight work will allow the contractor to cross both Scott Street lanes and the underground parking garage in one operation, minimizing impacts to local stakeholders.</p>
	<p>Traffic Management: Traffic on Scott Street has been reduced to one north-bound lane from The Esplanade to Front Street East to accommodate for this project. There is no on-street parking permitted on Scott Street during the</p>

Notice of Weekend Work

	<p>construction period. Road users should expect delays and increased traffic on nearby streets. Motorists are reminded that bicycles and cars will be sharing the same traffic lane. When driving, please be mindful of other road users.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.</p>

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please do so safely and ask for the site inspector and respect physical distancing.
