Storm Sewer Upgrade on Peard Road

Contract: 23ECS-LU-03FP
(Phase 4 Stage 7)
Start Date: June 11, 2026
Expected End Date: July 31, 2026
*Content/dates subject to change

The City of Toronto is upgrading the storm sewer system along Peard Road and Glenburn Avenue to reduce surface and basement flooding. Due to the depth and nature of the construction work, a portion of Peard Road and Glenburn Avenue will be closed. This temporary road closure will be in effect from 7:00 a.m., Thursday, June 11, 2026, until 7:00 p.m., Friday, July 31, 2026.

MAP OF WORK AREA

WORK DETAILS

The contractor will:

- Upgrade the storm sewer system to reduce surface and basement flooding.
- Excavate a portion of Peard Road.
- Addresses located within the work zone include: **52 Peard Road, to 39 Glenburn Avenue.**
- The work zone area will be closed to all through traffic from 7 a.m. to 7 p.m., Monday through Friday. Local road access and driveway access will be available to residents within the work zone after 7 p.m. during the construction work week.
- During construction, driveways may be impacted for varying periods of time. If a driveway closure is required, the contractor will distribute Driveway Impact Notices only to the affected addresses when necessary.
- When driveway access is affected, please park in a legal spot on a local side street i.e., Adair Avenue, Furnival Road, or Holmstead Avenue and display the Driveway Impact Notice on your windshield.

	<p>Traffic Management:</p> <ul style="list-style-type: none"> • Northbound traffic to travel west on Holmstead Avenue, then take Squires Avenue to Adair Road. Travel east on Adair Road to Glenburn Avenue. • Southbound traffic to travel west on Adair Road, then take Squires Avenue to Holmstead Avenue. Continue east on Holmstead Avenue.
	<p>Pedestrians: Sidewalks will be fully accessible on both sides of the street.</p>
	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>

Parking Violation Notices: Please ensure you always park in a legal parking spot. If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment:

1. Pay the parking violation (follow instructions on the back of the notice) **or**
2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction.

If you do not have a copy of the Construction Notice, please contact 311 to request a copy.

Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e., in front of a fire hydrant or in No Parking zones).

To reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
