Road Resurfacing on York Gate Boulevard from Jane Street to Finch Avenue West

Contract: 25ECS-RD-03MR

Expected Restart Date: July 2026 Expected End Date: September 2026

**Timeline is subject to change.*

This notice provides an update on the road resurfacing project on York Gate Boulevard between Jane Street and Finch Avenue West.

Due to unforeseen construction and coordination challenges encountered during the 2025 construction season, the project is currently behind schedule. Construction activities began in 2025 and were suspended in mid-December for the winter season. Work is now scheduled to resume in July and continue through September, weather permitting.

The remaining work includes roadway milling and paving throughout the project limits, as well as pavement marking and bollard installation.

The City and its contractor are working to complete the remaining work as efficiently as possible and appreciate residents' patience during construction.

MAP OF WORK AREA

WORK STATUS TO DATE

The City's contractor has:

- Repaired and reconstructed damaged sidewalks and curbs.
- Upgraded the existing TTC bus stop on the northwest corner of York Gate Boulevard near Jane Street.
- Upgraded traffic signals at signalized intersections.
- Constructed two new cycle tracks between Jane Street and the Hydro Corridor.
- Completed boulevard restoration, sodding, and tree planting

REMAINING WORK

Work crews will:

- Mill and pave the roadway within the project limits.
- Install pavement markings and bollards.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.</p> <p>Most updated details about traffic can be found via scanning QR codes on project signs around the construction zone.</p>
	<p>Road and Sidewalk Access: To complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Pedestrians: The work may require temporary sidewalk restrictions, however any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.</p>
	<p>Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.</p>
	<p>Parking Violation Notice: <u>Please ensure you park in a legal parking spot at all times.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment:</p> <ol style="list-style-type: none"> 1. Pay the parking violation (follow instructions on the back of the notice) or 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction. <p>If you do not have a copy of the Construction Notice, please contact 311 to request a copy.</p> <p>Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (e.g. in front of a fire hydrant or in No Parking zones).</p> <p>In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>
