## Watermain Replacement, Road Resurfacing and Road Safety Upgrades on Midland Avenue from Steeles Avenue East to south of McNicoll Avenue

Midland Avenue (Steeles Avenue East 至 McNicoll Avenue 及以南路段)

供水管更換、路面重鋪及道路安全改善工程

Midland Avenue (Steeles Avenue East 至 McNicoll Avenue 及以南路段)

供水管更換、路面重鋪及道路安全改善工程

Contract: 25ECS-RD-06SW

Start Date: End of June 2026 End Date: December 2026

合同：25ECS-RD-06SW

動工日期：2026 年 6 月底 竣工日期：2026 年 12 月

合同：25ECS-RD-06SW

开始日期：2026 年 6 月底 结束日期：2026 年 12 月

*\*Timeline is subject to change.*

The City of Toronto will replace the watermain and the City-owned portion of substandard water services on Midland Avenue from Steeles Avenue East to McNicoll Avenue. The City will resurface the road on Midland Avenue and reconstruct the intersections at McNicoll Avenue and Passmore Avenue. This project also includes new intersection safety improvements such as corner radius reductions, curb extensions to reduce motor vehicle speeds and truck aprons. New traffic islands will be added between Passmore Avenue and McNicoll Avenue. During construction, traffic on Midland Avenue will be reduced to one lane in each direction at a minimum.

The water service is the underground pipe that brings water to your water meter and is owned by you and by the City. The part you own is from your house to the end of your property. The part the City owns is from the end of your property to the watermain.

This project is part of the Council-approved 2026 Capital Works Program to renew our aging infrastructure, improve water distribution and reduce the risk of watermain breaks.

多倫多市政府將更換 Midland Avenue (Steeles Avenue East 至 McNicoll Avenue 一段) 的供水管和不達標的市屬供水管道。市政府將於 Midland Avenue 進行路面重鋪，並重建 McNicoll Avenue 夾 Passmore Avenue 的十字路口。本項目亦包括全新的十字路口安全改善工程，例如減少轉彎半徑及延長路緣以降低機動車輛速度，以及設置貨車轉彎緩衝區。於 Passmore Avenue 和 McNicoll Avenue 之間增設新安全島。施工期間，Midland Avenue 的車道將減少至每個方向至最少一條。

供水管道是指將水輸送到您家水錶的地下管道，由您和市政府共同擁有。由您的房屋至您的物業邊界線的部分，屬您擁有。由您的物業邊界線至供水管的部分，屬市政府擁有。

本項目是市議會批准的 2026 年基礎建設工程計劃的一部分，旨在更新本市老化的基礎設施、改善供水，並降低水管爆裂的風險。

## IMPORTANT INFORMATION ABOUT LEAD WATER SERVICES

If you live on Midland Avenue in a property that was built before the mid-1950s, your water service may be made of lead. Please visit [toronto.ca/lead](http://toronto.ca/lead) for important information about the risks of lead in drinking water, especially if someone in your house is pregnant, there are children under six years old, or there is an infant drinking formula made using tap water.

## MAP OF WORK AREA | 工程區域地圖 | 工作区域地圖

## WORK DETAILS

The City's contractor will:

- Excavate the road and dig a trench to access and install the new watermain
- Replace any City-owned water service pipes that do not meet City standards from the watermain to the private property line
- Resurface the road on Midland Avenue and reconstruct the intersections at McNicoll Avenue and Passmore Avenue.
- Construct new intersection safety improvements such as corner radius reductions, curb extensions to reduce motor vehicle speeds and truck aprons. New traffic islands will be added between Passmore Avenue and McNicoll Avenue.

## WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

**Work Hours:** Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.

**施工時間：**施工時間為週一至週五上午 7 時至晚上 7 時，並可能根據需要，在晚上 7 時後及週末施工。

**施工时间：**施工时间为周一至周五上午 7 点至晚上 7 点，并可能根据需求，在晚上 7 点后及周末施工。

	<p><b>Site Safety:</b> Workers on site are responsible for the work assigned to them. If you have construction questions or an issue on site – ask to be directed to the Site Inspector. If the Site Inspector is unavailable, contact the person listed at the end of this notice.</p>
	<p><b>Important information for owners of sprinkler systems / heated driveways and private landscaping features.</b> Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the City of Toronto contact listed below.</p>
	<p><b>Telephone and Internet Services:</b> This work may affect phone and internet cables for individual properties that aren't buried deep below the sidewalk. The contractor will coordinate with utility companies to minimize disruption. Residents who find their service has been disrupted should contact the <b>City of Toronto contact</b> listed below <b>and</b> notify their phone or internet service provider.</p>
	<p><b>Water Service Disruptions:</b> From time-to-time, the water supply to your property will be shut-off to complete construction; the contractor will provide notice at least 24-hours in advance. Throughout the work, it is recommended that you temporarily disconnect any water treatment systems (i.e. softeners or filters), water-cooled air conditioners or similar plumbing fixtures. Automatic lawn sprinkler systems may also be affected, therefore, you may need to water manually. In the event you did not receive advance notice, the City may have needed to use an <b>emergency water shut off</b> to complete work.</p>
	<p><b>Substandard Water Service Replacement:</b> If you want to replace the private portion-of the water service pipe, the City of Toronto recommends that you obtain several quotes before selecting a contractor.</p> <p><b>PLEASE NOTE:</b> The City is not able to get involved in any contract to have work done on private property. Property owners are responsible for ensuring contractors do not interfere with the work being done on City property. Learn more at <a href="http://toronto.ca/leadpipes">toronto.ca/leadpipes</a>.</p>
	<p><b>Road and Sidewalk Access:</b> In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p><b>Driveway Access:</b> The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p><b>Traffic Management:</b> Road users should expect delays and increased traffic on nearby streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users.</p> <p><b>Traffic on Midland Avenue will be reduced to one lane in each direction at a minimum.</b></p>
	<p><b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible.</p> <p>If you experience a disruption, have a specific access need or related accommodation request, contact the City of Toronto listed below.</p>
	<p><b>Garbage and Recycling:</b> Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them.</p> <p><b>Please ensure that you label your bins with your address.</b></p>

	<p><b>Water Flushing:</b> You will see water flushing or running in several areas along this project due to cleaning the new watermain. Before substandard water services are replaced and the new watermain is put into service, the new pipe must meet Toronto Water's servicing and quality standards.  <b>Please DO NOT DRINK OR USE THE FLUSHING WATER, it is not potable.</b></p>
	<p><b>Restoration:</b> The construction work area will be restored with sod, concrete and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced.  Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - April to June and September to October.</p>
