## Storm Sewer Installation on Squires Avenue and Holmstead Avenue

Contract 23ECS-LU-03FP  
Start Date: May 27, 2026  
Expected End Date: July 31, 2026  
\*Content/dates subject to change

The City of Toronto is upgrading the storm sewer system along Squires Avenue and Holmstead Avenue to reduce surface and basement flooding. Construction will occur on a portion of Squires Avenue, north and south of Holmstead Avenue and on Holmstead Avenue slightly west of Squires Avenue. This temporary road closure will be in effect from 7:00 a.m., Wednesday, May 27, 2026, until 7:00 p.m., Friday, July 31, 2026.

### MAP OF WORK AREA

## WORK DETAILS

The contractor will:

- Upgrade the storm sewer system to reduce surface and basement flooding.
- Excavate a portion of Squires Avenue and Holmstead Avenue.
- Addresses located within the work zone include: **53 Squires Avenue to 55 Squires Avenue.**
- The work area will be closed to all through traffic from 7 a.m. to 7 p.m., Monday through Friday. Local road access and driveway access will be available to residents within the work zone after 7 p.m. each day.
- During construction, driveways may be affected for varying periods of time. If a driveway closure is required, the contractor will distribute Driveway Impact Notices to the affected homes when necessary.
- When access is affected, please park in a legal spot on a local side street i.e., Adair Avenue, Glenburn Avenue, or Peard road, and display the Driveway Impact Notice on your windshield.

	<p><b>Traffic Management:</b> Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users, and residents.</p> <p><b>Traffic Detour:</b></p> <ul style="list-style-type: none"> <li>• Northbound traffic to travel east on St Clair Ave East, then take Glenburn Avenue to Peard Road. Continue west on Peard Avenue to Squires Avenue.</li> <li>• Southbound traffic to travel east on Peard Road, take Glenburn Avenue to St Clair Avenue East and continue west on St. Clair Avenue East.</li> </ul>
	<p><b>Pedestrians:</b> Sidewalks will be fully accessible on both sides of the street.</p>
	<p><b>Work Hours:</b> Work will take place from 7 a.m. to 7 p.m., Monday to Friday.</p>
	<p><b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>

**Parking Violation Notices: Please ensure you always park in a legal parking spot.** If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment:

1. Pay the parking violation (follow instructions on the back of the notice) **or**
2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction.

If you do not have a copy of the Construction Notice, please contact 311 to request a copy.

**Please note:** Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e., in front of a fire hydrant or in No Parking zones).

To reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.

## NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
