Millwood Road (Leaside) Bridge Over Don Valley Enhanced Safety Barrier Installation

Contract: 26ECS-BE-10SB
Start Date: July 2026 End Date: December 2026
**Timeline is subject to change.*

The City of Toronto is planning to install an Enhanced Safety Barrier on the Millwood Rd (Leaside) Bridge over Don Valley. This work will ensure that the bridge remains safe for pedestrians into the future. The project is part of the Council-approved 2026 Capital Works Program.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Adjacent properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the **Project Manager** listed below.

NEED MORE INFORMATION?
