Road Resurfacing & North Side New Sidewalk Installation on Falstaff Avenue between Maidstone Street and Culford Road

Contract: 26ECS-RD-14SP

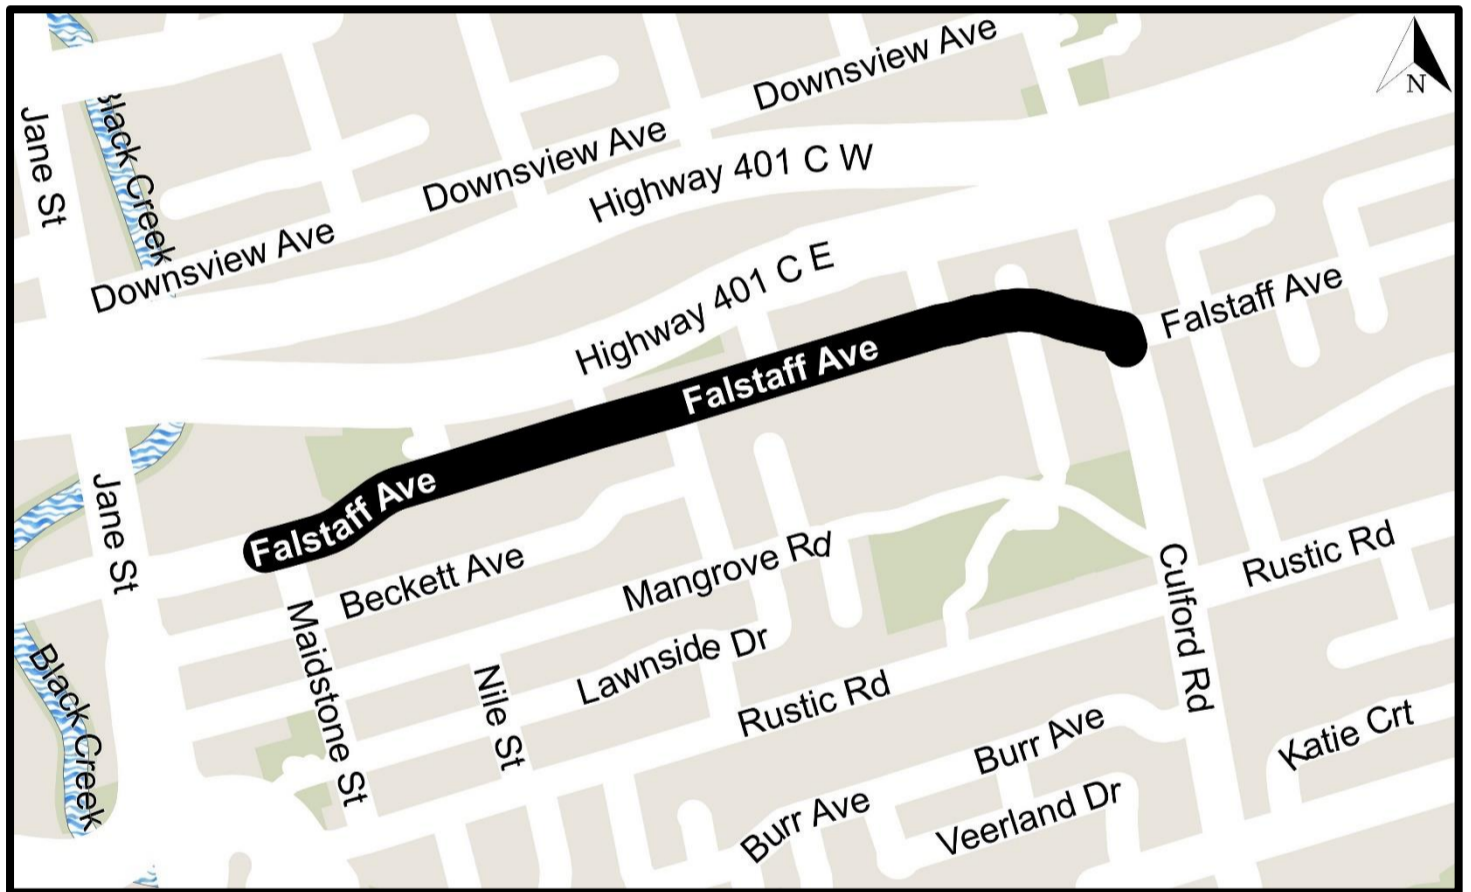

Start Date: Mid August 2026 End Date: December 2026

**Timeline is subject to change.*

The City of Toronto is planning to resurface and install sidewalk on the north side of Falstaff Road from Maidstone Street to Culford Road. Our inspection of the road shows that it needs repaving, and sections of damaged curb and sidewalk on the south side need to be replaced to bring them to a state of good repair. The new sidewalk will provide a safe and accessible route for pedestrians in the community.

This project is part of the Council-approved 2026 Capital Works Program to renew aging City roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the City of Toronto contact listed below.</p>
