NORTHBOUND LANE CLOSURES **Kipling Avenue between Nugent Road and The Westway**

Contract: 25ECS-LU-03FP
Start Date: July 13, 2026
Anticipated End Date: July 31, 2026
*Content/dates subject to change

The City of Toronto is modifying and upgrading the storm and sanitary system in your area to reduce surface and basement flooding. We would like to inform you **that storm sewer installation work will commence shortly on Kipling Avenue. To complete this work safely, the northbound lanes of Kipling Avenue will be closed in stages, starting near Nugent Road and moving south toward The Westway.**

The northbound lane closure is expected to be in place from **7:00 A.M. on July 13, 2026, to 7:00 P.M. on July 31, 2026.**

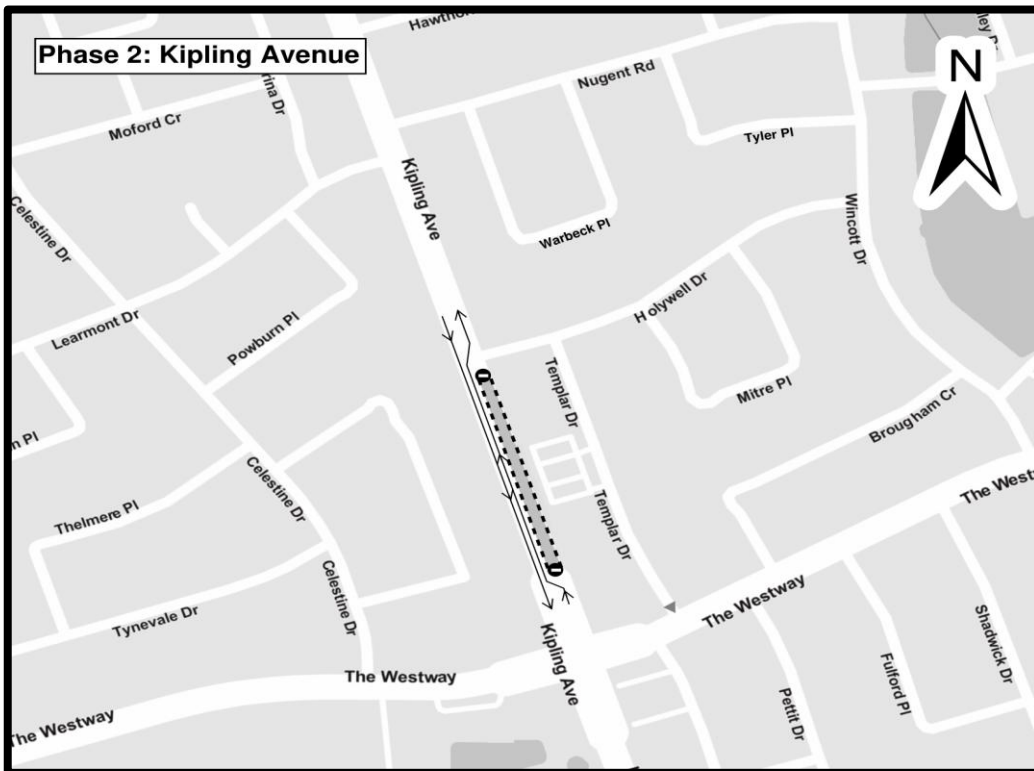

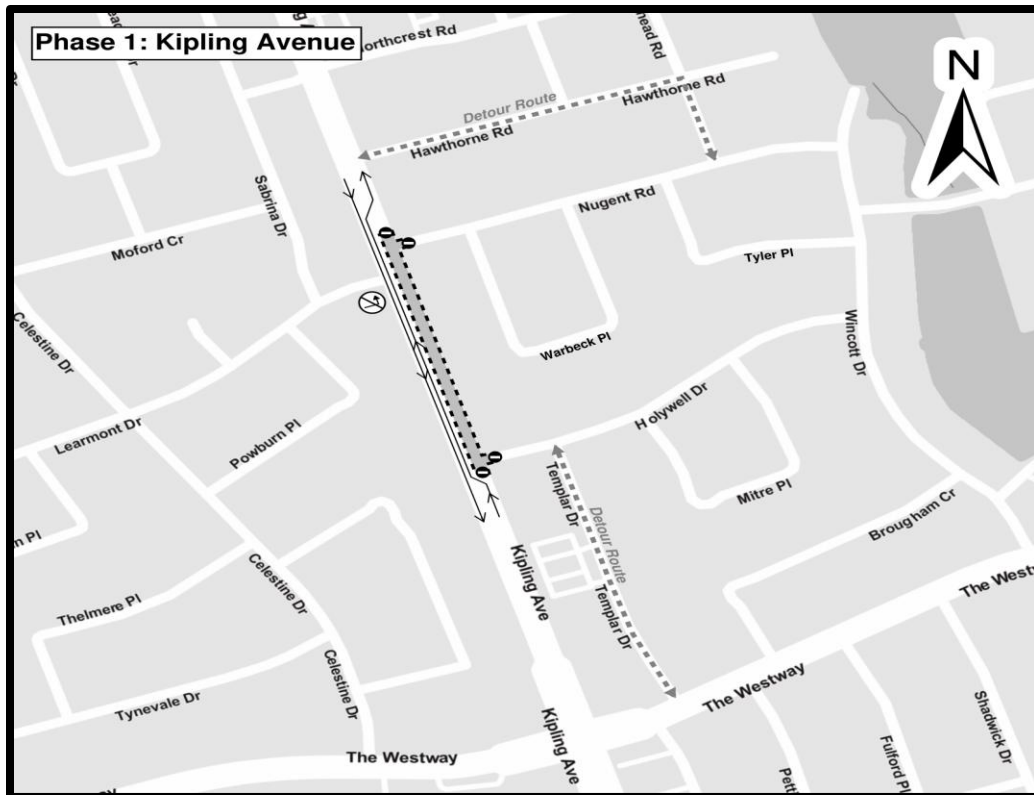

If access to your driveway will be affected, a separate Driveway Access Impact notice will be delivered at least 48 hrs in advance, with exact impact dates.

WORK DETAILS

The Contractor will:

- Excavate on Kipling Avenue for surface removal & preparation, deep excavation and shoring, storm sewer installation, and site restoration.
- Allocate space on Kipling Avenue for material storage during construction, followed by restoration of the area at a later date.
- Notify residents ahead of any temporary **short-term** disruption to water services.
- Assist residents with **navigating the site** during the workday, **home deliveries**, and **garbage collection** as needed. **Consider adding your house number to your bins.**

MAP OF WORK AREA

	Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users, and residents. Detour Route: The work involves closures of the two northbound lanes on Kipling Avenue, moving south from Nugent Road, and progressing towards The Westway. Traffic will be maintained in the Southbound lanes, with <u>one</u> lane available in both directions. Drivers should expect significant delays and consider alternate routes. Driveway Access: This work will require temporary closure of driveways on Kipling Avenue. Should your home be impacted, you will receive a driveway access notice in advance. This notice will detail the closure timeline and location of alternate street parking.
	Pedestrians: The work may require temporary sidewalk restrictions; however, any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.
	Work Hours: Work will take place during the weekday from 7:00 A.M. to 7:00 P.M., with after hours and weekend work as required.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
