

Approved pursuant to the Delegated Authority contained in Article 1 of City of Toronto Municipal Code Chapter 213, Real Property

Prepared By:	Jag Prajapati	Division:	Corporate Real Estate Management										
Date Prepared:	July 23, 2026	Phone No.:	416-394-5472										
Purpose:	To declare surplus the City-owned land municipally known as 150 Queens Wharf Road, Toronto (the "Property") and to authorize the disposition of the Property by way of a long-term land lease to a housing provider in order to support the development of mixed-income, purpose-built rental housing, including affordable housing, consistent with the City's Toronto Builds Policy Framework.												
Property:	City-owned land municipally known as 150 Queens Wharf Road, Toronto, legally described as PART OF LOT 20 INDEX PLAN D970, PART 2, PLAN 66R26042, CITY OF TORONTO, being all of PIN 21394-0234 (LT) and PART OF LOT 20, INDEX PLAN D970, PART 3 PLAN 66R26042, CITY OF TORONTO, being all of PIN 21394-0235 (LT), as shown outlined on the Location Map in Appendix "A".												
Actions:	1. The Property be declared surplus and be by way of a long-term land lease, with the City retaining ownership of the Property, to a proponent to facilitate the development of mixed-income rental housing, including affordable housing, consistent with the Toronto Builds Policy Framework.												
Financial Impact:	There are no financial implications resulting from this approval. The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial implications as identified in the Financial Impact section.												
Background:	The Property is a City-owned undeveloped parcel located within the Railway Lands and was approved by City Council as part of the Housing Now Initiative. The Property has been identified as a strategic opportunity to support the delivery of new rental housing on City-owned lands. At its meeting on May 21 and 22, 2025, City Council adopted Item PH21.4 – Toronto Builds: A Policy Framework to Build More Affordable Rental Homes on Public Land, approving the Toronto Builds Policy Framework and applying it to City-owned lands listed in Attachment 1, including 150 Queens Wharf Road. The Property is therefore included in the Toronto Builds Portfolio and is being advanced under the Toronto Builds Policy Framework for affordable housing delivery. The City will retain ownership of the land and deliver housing through a long-term ground lease model. City Council adopted EX25.1 – Building Faster: Streamlining Housing Delivery and Strengthening the City's Development Capacity report, which further advances the Toronto Builds implementation model, including the Housing Development Office, Master Service Agreements with CreateTO and Toronto Community Housing Corporation, and a stage-gated governance framework for Toronto Builds projects. The City intends to retain ownership of the Property and deliver housing through a long-term lease model, consistent with the Toronto Builds Policy Framework, which requires City-owned land to be retained in public ownership and developed through long-term leases.												
Comments:	The property was circulated to the City's Divisions and Agencies in accordance with the City's real estate disposal process. No municipal interest was expressed, and the Property has been identified as a priority site to advance City housing objectives under the Toronto Builds Policy Framework. Accordingly, it is appropriate that the Property be declared surplus. The Technical Review Committee has reviewed this matter and concurs.
