Crescent Town Pedestrian Bridge Over Victoria Park Avenue

Miscellaneous Repairs

Contract: 26ECS-BE-11SB
Start Date: Fall 2026 End Date: January 2027
**Timeline is subject to change.*

The City of Toronto is planning miscellaneous repairs at the Crescent Town Pedestrian Bridge over Victoria Park Avenue. This work will ensure that the bridge meets today’s standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2026 Capital Works Program.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

	Work Hours: Work will take place from 7 a.m. to 5 p.m., Monday to Friday, with work after hours and on weekends as required.
	Traffic Management: This work is not expected to impact traffic lanes. In the rare event that the work requires a lane closure, advance signage will be posted.
	Pedestrians: The bridge connecting Crescent Town to Victoria Park subway station will remain open during the work, with hoarding installed around sections where work is taking place. The sidewalks at street level beneath the bridge will also remain open.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Project Manager listed below.
