## TEMPORARY ROAD CLOSURE

### Sanitary and Storm Sewer Replacement, Watermain Replacement, and Road Resurfacing on Danforth Avenue from Main Street to Victoria Park Avenue

Contract: 25ECS-LU-08SU

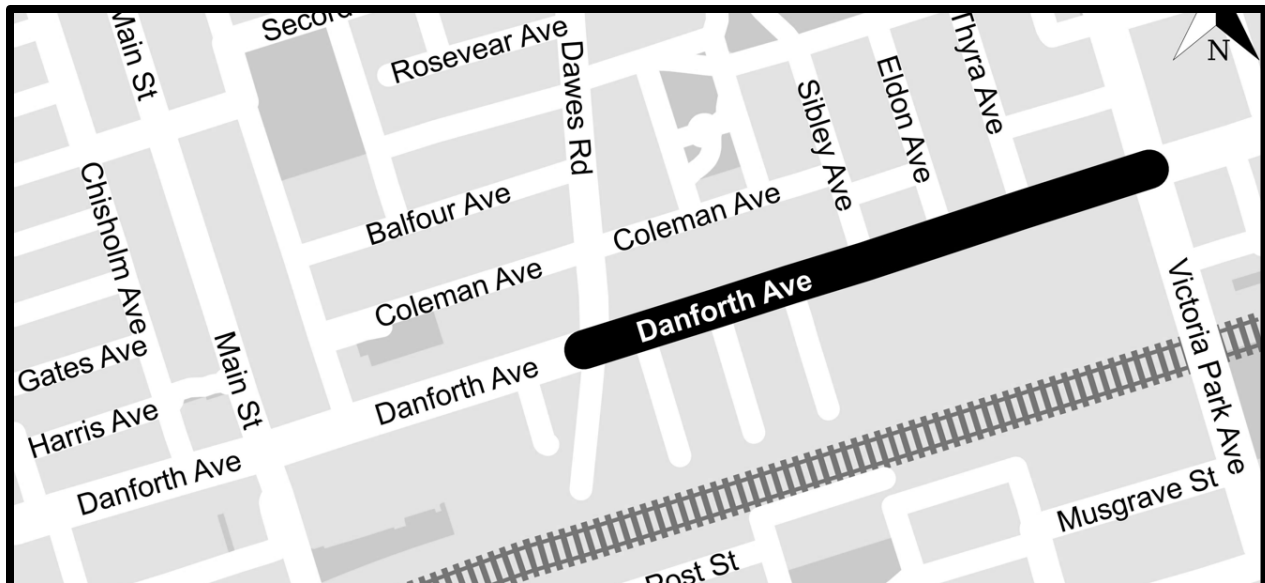

Start Date: February 2026 | \*New\* End Date: December 2026

\*Timeline is subject to change.

This is to notify you that starting on **Wednesday, September 30, Danforth Avenue will be closed eastbound (toward Scarborough) between Dawes Road and Victoria Park Avenue** to facilitate bike lane installation. This closure is expected to be in place until December 2026. Westbound traffic (toward downtown) will still be maintained. Please note that this timeline is weather dependant. Emergency vehicle access will always be maintained.

We apologize for this inconvenience. Your co-operation and patience are greatly appreciated.

#### MAP OF WORK AREA

#### REMAINING WORK

- Surface work between Dawes Road and Victoria Park Avenue
- Sidewalk and bike lane installation

|                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|    | <p><b>Road and Sidewalk Access:</b> To ensure the work is completed safely, road, sidewalk, and bikeway restrictions will be in effect within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p><b>Driveway Access:</b> The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>                                  |
|    | <p><b>Parking:</b> This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated at no charge to the owner. Please call 416-808-2222 for its location.</p>                                                                                                                                          |
|    | <p><b>Traffic Management:</b> Road users should expect delays and increased traffic on nearby streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users.</p> <p><b>Vehicular traffic on Danforth Ave will be restricted to one way westbound between Dawes Road and Victoria Park Avenue. Please obey all posted signage and follow directions from on-site traffic personnel.</b></p> |
|  | <p><b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need, or related accommodation request, contact the <b>Field Ambassador</b> listed below.</p>                                                                      |

## NEED MORE INFORMATION?

If you have questions about this construction project, please contact the staff listed below. If you need to speak with staff on the construction site, please ask for the Site Inspector.
