Watermain Replacement and Road Resurfacing on University Avenue from College Street to Armoury Street Preliminary Investigation Work

Contract: 24ECS-LU-06SU

Start Date: September 2, 2026 | End Date: September 8, 2026

**Content/dates subject to change.*

The City of Toronto plans to replace the watermain and the City-owned portion of substandard water services on the east side of University Avenue from College Street to Armoury Street.

Starting **September 2, 2026**, the City's contractor will perform 3 - 5 days of preliminary investigation work in the University Avenue and Gerrard Street West intersection between the hours of 9:00 AM and 4:00 PM. During the work, northbound traffic will be reduced to one lane at the intersection. All lanes will be opened at the end of each day.

This project is part of the Council-approved 2024 Capital Works Program to renew our aging

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Excavate the road and dig a trench to access and document the location of existing utilities.
- Temporarily restore the road.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	Work Hours: Work is scheduled primarily between 9:00 a.m. and 4:00 p.m. on weekdays, with weekend work as required.
	Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times. Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.
	Traffic Management: Road users should expect delays and increased traffic on nearby streets. When driving, please be mindful of vulnerable road users such as pedestrians and cyclists. Motorists are reminded to share the lane with cyclists, who have the right to utilize the full lane when riding with mixed traffic. When passing a cyclist, the Highway Traffic Act requires motorists maintain a minimum distance of one metre between their vehicle and the cyclist. Northbound traffic on University Avenue will be reduced to one lane for the duration of the work. All lanes will be opened at the end of each working day. Southbound traffic will have all lanes open as normal.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.
