Date Prepared:	September 10, 2026	Phone No.:	(416) 338-5045

Purpose

To obtain authority to enter into a licence agreement with Metrolinx with respect to a part of the property municipally known as 4400 Eglinton Avenue West, Toronto for the purpose of installing a dewatering pipe as part of works related to the construction of the Eglinton Crosstown West Extension (the "Licence Agreement").

Property

A part of the property municipally known as 4400 Eglinton Avenue West, Toronto, being part of PIN 073830191, shown as Part 1 on the Sketch shown in Appendix "A" (the "Licensed Area").

Actions

1. Authority be granted to enter into the Licence Agreement with Metrolinx, substantially on the major terms and conditions set out below, and including such other terms as deemed appropriate by the approving authority herein, and in a form satisfactory to the City Solicitor.

Financial Impact

The City will receive $27,538.40 (plus HST) over the 16-month term of the Licence Agreement. Should Metrolinx exercise all options to extend the term of the Licence Agreement, the City is estimated to collect an additional $10,326.90 plus applicable taxes.

The revenues will be directed to the Operating Budget for Corporate Real Estate Management under cost centre FA1379 and functional area code 3220200000.

The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial implications as identified in the Financial Impact section.

Comments

On December 15, 2021, City Council adopted item EX28.12 "Metrolinx Subways Program – Real Estate Protocol and Principles for Subways and GO Expansion Programs." Upon its adoption, the City, TTC and Metrolinx entered into an agreement dated June 16, 2022, which outlined the process for real estate transactions related to subway projects (the "Real Estate Protocol"). The Real Estate Protocol provides a clear process for the City, TTC and Metrolinx to follow relating to the acquisition, ownership and disposition of real property between the parties, both temporary and permanent interests, required for the Subways Program which includes the Eglinton Crosstown West Extension.

Metrolinx requires temporary access to, and use of the Licensed Area for the purposes of installing a dewatering pipe as part of works related to the construction of the Eglinton Crosstown West Extension. The form of the Licence Agreement is substantially in the form appended to the Real Estate Protocol.

The proposed licence fee and other major terms and conditions of the Licence Agreement are considered fair, reasonable and reflective of market rates.

On June 26, 2024, City Council adopted staff report EX15.2 titled "Priorities in Transit Expansion and Transit-Oriented Communities Projects." The report contained a recommendation that required Metrolinx to provide the City with certain information prior to completing any further real estate transactions involving City lands. The Transit Expansion Division has confirmed that Metrolinx has provided satisfactory information about its mitigation efforts related to construction impact to residential tenants and businesses, which satisfies the conditions set out in Item - 2024-EX15.2 relating to the Property.
