## Watermain Replacement and Road Resurfacing on Grosvenor Street from Queen's Park Crescent East to Yonge Street; and Queen's Park Crescent East from College Street to Queen's Park

**Contract: 24ECS-LU-10SU**
**Start Date: September 22, 2025 | End Date: December 31, 2026**
**Timeline is subject to change.*

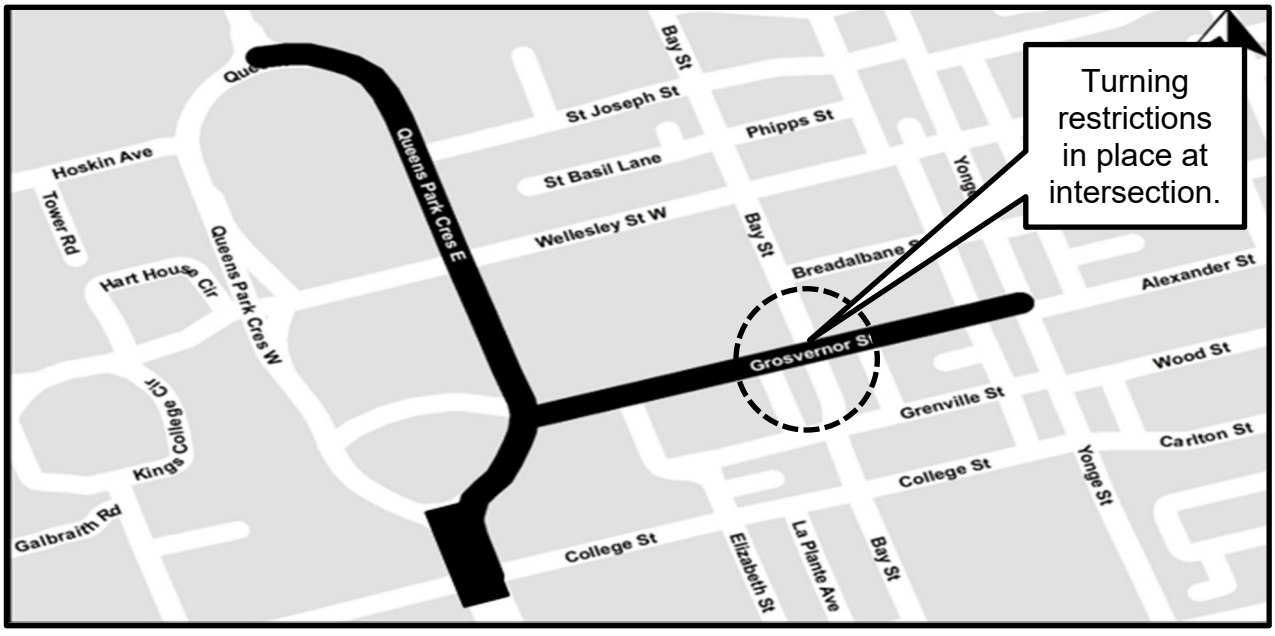

This notice provides an update on the City of Toronto's watermain replacement and road resurfacing work on Grosvenor Street and Queen's Park Crescent.

From **Tuesday, November 3 to Friday, November 20, 2026**, the contractor will be installing a 600 mm watermain at the **intersection of Bay Street and Grosvenor Street**. During this work, **Bay Street will be reduced to one northbound lane and one southbound lane** through the intersection. **Vehicles will not be permitted to turn eastbound or westbound onto Grosvenor Street** from Bay Street. Northbound and southbound **cyclists on Bay Street will be required to merge single file with traffic** through the work zone.

Please note that work schedules may change based on weather or underground conditions. Every effort will be made to minimize disruptions and maintain access for residents, businesses, pedestrians, cyclists, and motorists wherever possible.

This project is part of the Council-approved 2024 Capital Works Program to renew our aging infrastructure, improve water distribution and reduce the risk of watermain breaks.

### MAP OF WORK AREA

Please share this notice with the property owner or tenants and post in a common area

# Construction Impact #2

## WORK DETAILS

The City's contractor will:

- Install the 600mm watermain at Bay Street and Grosvenor Street including the concrete road base.
- Milling and paving will follow at a future date.

## WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.

| | |
|---|---|
|  | **Work Hours**: Work will take place between 7 a.m. and 7 p.m., Monday to Friday, with work after hours and on weekends as required. |
|  | **Road and Sidewalk Access:** In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.<br>**Driveway Access:** The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times. |
|  | **Traffic Management**: Road users should expect delays and increased traffic on nearby streets. When driving, please be mindful of vulnerable road users such as pedestrians and cyclists. Motorists are reminded to share the lane with cyclists, who have the right to utilize the full lane when riding with mixed traffic. When passing a cyclist, the Highway Traffic Act requires motorists maintain a minimum distance of one metre between their vehicle and the cyclist.<br>**Bay Street will be reduced to one northbound lane and one southbound lane through the intersection.**<br>**Vehicles will not be permitted to turn eastbound or westbound onto Grosvenor Street from Bay Street.** |
|  | **Pedestrians:** The work may require temporary sidewalk restrictions; however, any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction. |
|  | **Cyclists: Northbound and southbound cyclists on Bay Street will be required to merge single file with traffic through the work zone.** |
