Storm Sewer Upgrade on Furnival Road

Contract: 23ECS-LU-03FP
Phase 3 - Stage 7
Start Date: September 28, 2026
Expected End Date: October 9, 2026
*Dates subject to change

The City of Toronto is upgrading the storm sewer system along Furnival Road to reduce surface and basement flooding. Due to the depth and nature of the construction work, a portion of Furnival Road will be closed from 7 a.m., Monday, September 28, 2026, until 7 p.m. Friday, October 9, 2026. Please note, this work is weather dependent and the schedule may change.

MAP OF WORK AREA

WORK DETAILS

The contractor will:

- Remove the existing storm sewer to install new and larger storm sewers.
- The area shown with black dotted lines represents the active work zone.
- The following addresses are located within the work zone and will experience temporary restrictions on road and driveway access: **24 – 58 Furnival Road and 29 – 53 Furnival Road.**
- From 7 a.m. to 7 p.m., the work zone area will be occupied by machines and equipment and will be fully closed to all traffic.
- Furnival Road at the intersections of Squires Avenue and Valor Boulevard will be closed to all traffic but open to local traffic after 7 p.m., each workday.
- Driveway access will be impacted for varying periods of time. The contractor will distribute Driveway Impact Notices to the affected addresses.
- When driveway access is affected, please park in a legal spot on a **local side street** and display the Driveway Impact Notice on your windshield.

	Traffic Management: Furnival Road at the intersections of Squires Avenue and Valor Boulevard will be closed to all through traffic but open to local traffic after 7 p.m. Please use the posted detour routes in place.
	Pedestrians: Sidewalks will be fully accessible on at least one side of the road.
	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with weekend work as required.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
	Parking Violation Notices: <u>Please ensure you always park in a legal parking spot.</u> If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment: 1. Pay the parking violation (follow instructions on the back of the notice) or 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you

may include the construction notice and/or other documentation related to parking impacts resulting from construction.

If you do not have a copy of the Construction Notice, please contact 311 to request a copy.

Please note: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e., in front of a fire hydrant or in No Parking zones).

To reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
