INTERSECTION CLOSURE & OVERNIGHT WORK Kipling Avenue and The Westway

Contract: 25ECS-LU-03FP
Start Date: October 23, 2026
End Date: October 26, 2026
*Content/dates subject to change

The City of Toronto is modifying and upgrading the storm and sanitary system in your area to reduce surface and basement flooding. **This is to notify you that Phase 3 of the storm sewer installation work will commence shortly at the intersection of Kipling Avenue and The Westway.**

- The southern portion of the intersection at The Westway and Kipling Avenue will be closed **starting at 9:30 PM on Friday, October 23, 2026, to 6:00 AM on Monday, October 26, 2026.** **There will be no through traffic permitted in either the northbound or southbound direction at the intersection.**

The Contractor is permitted to work 24 hours a day, including overnight, to reduce traffic impacts during the week and until the work can be completed, however, a minimum of one lane in each direction, travelling east and west on The Westway, at the intersection, will always be maintained.

This project is part of the Council-approved 2025 Basement Flooding Protection Program to improve the water distribution system, renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.

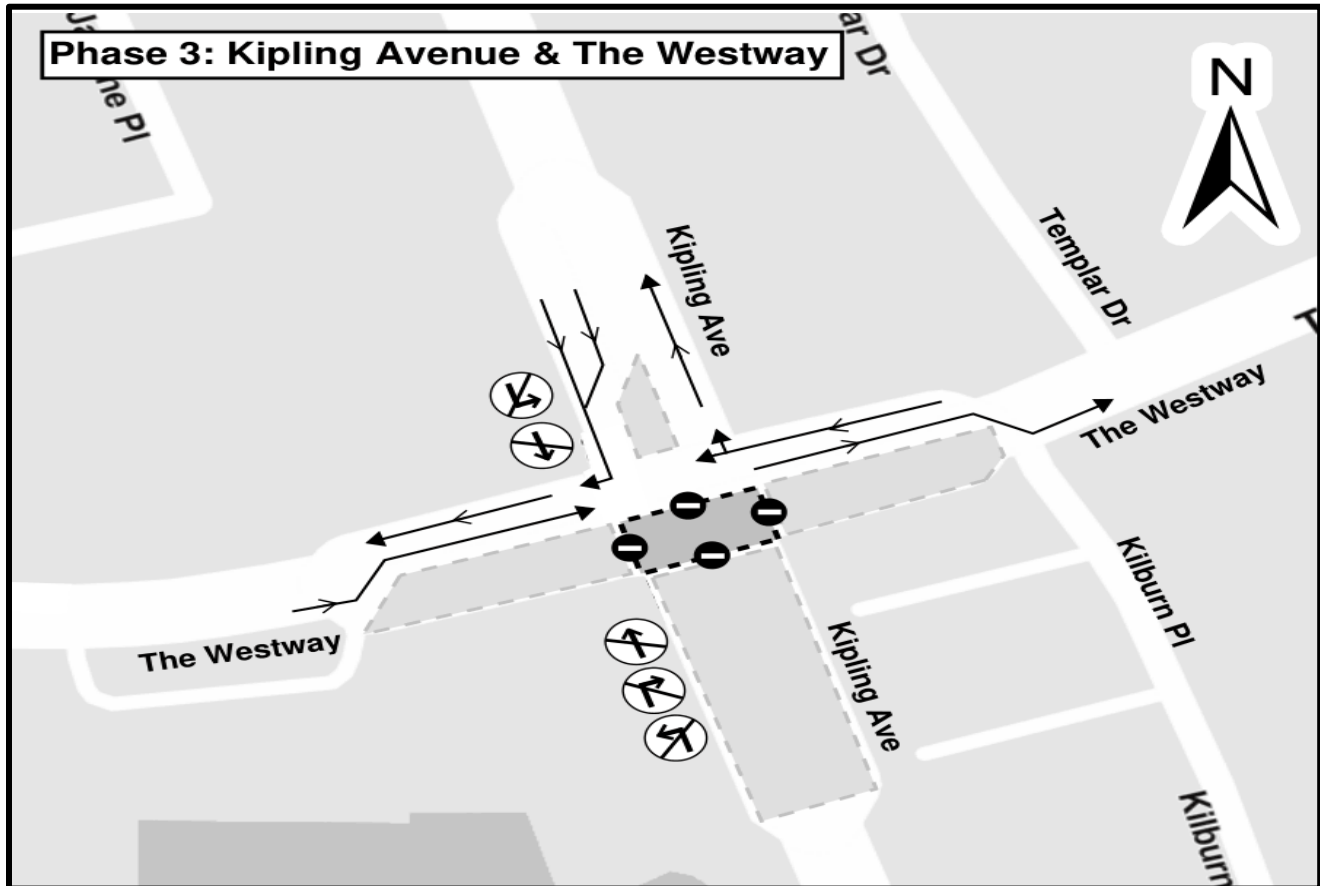

WORK DETAILS

A Paid Duty Officer will be on site to assist traffic with navigating the site.

The Contractor will:

- Excavate at the intersection of Kipling Avenue and The Westway, to install the storm sewer and temporarily restore the area.
- Temporarily close the southern portion of the intersection at The Westway and Kipling Avenue. Through traffic will not be permitted to travel northbound or southbound on Kipling Avenue.
- Maintain one lane of traffic in each direction on The Westway
- Notify residents ahead of any temporary **short-term** disruption to services.

MAP OF WORK AREA

	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane.
