

CONTEXT PLAN | Liberty Yard grows from the industrial grain, movement patterns and network of passages that define Liberty Village. At the heart of the neighbourhood, the park strengthens connections between streets, transit and surrounding public spaces, creating a new shared ground within a broader network of public life.

1. The Green Civic Room 2. The Rain Garden 3. The Gathering Space 4. The Workshop 5. The Pavilion/ The Brick 6. Liberty Lane 7. Bicycle parking

SITE PLAN | A restorative landscape - the Park is conceived as ecological, climate and social infrastructure, built through the careful layering of landscape

LIBERTY YARD | A WORKSHOP FOR PUBLIC LIFE

AERIAL VIEW | The tree canopy frames a welcoming public gathering space.

SECTION AA | A Flexible Civic Ground - A generous civic clearing creates flexible ground for everyday gathering, markets, performances, play and community events.

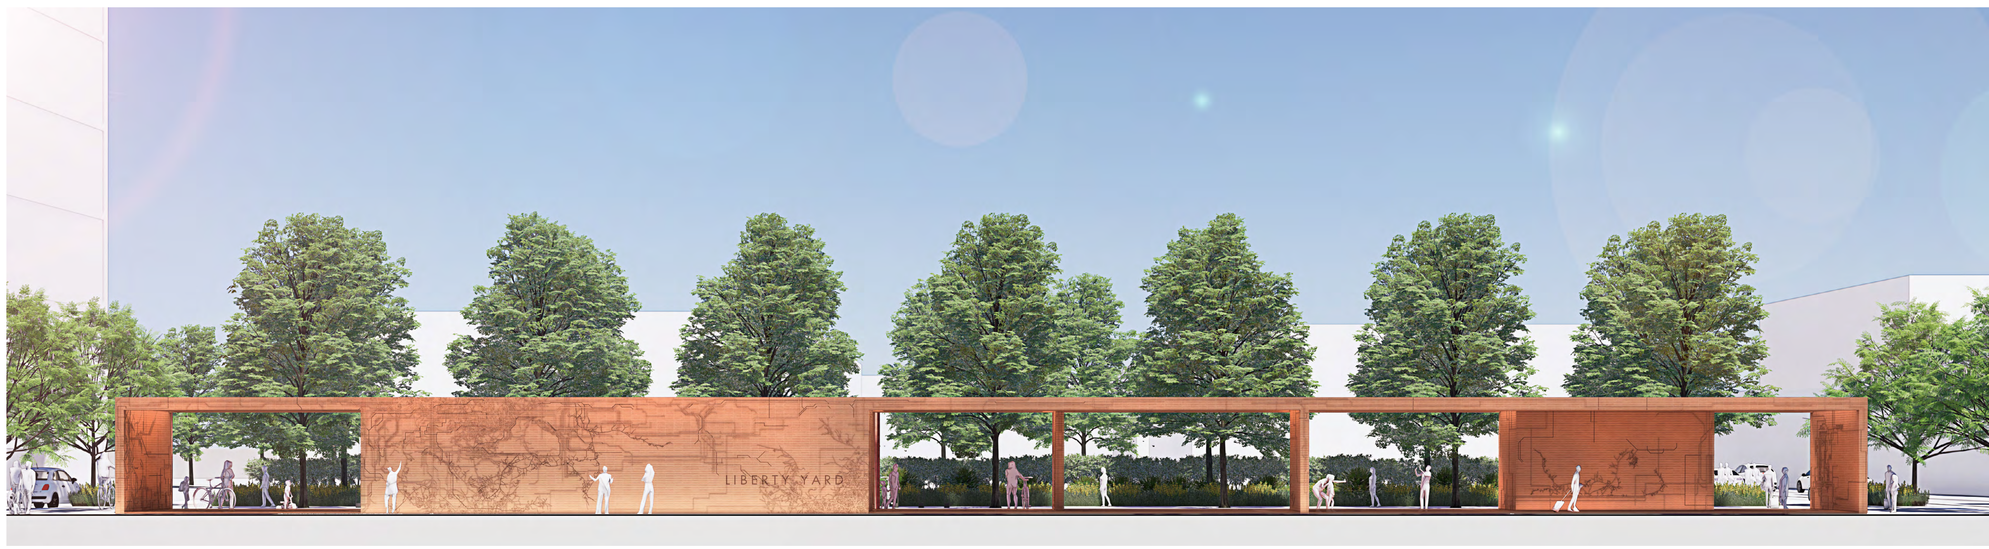

SECTION BB | A Living Landscape - A layered landscape of tree canopy, diverse planting and rain gardens creates habitat, shade and seasonal change while integrating stormwater management directly into the experience of the park.

LIBERTY YARD | A NEW GREEN CIVIC ROOM
