Road Restoration and Road Closure on Furnival Road, Merritt Road, Topham Road and Valor Boulevard

Contract: 23ECS-LU-03FP
Start Date: October 28, 2026
End Date: November 4, 2026
Schedule is subject to change

The City of Toronto construction contract 23ECS-LU-03FP (Phase 3) has completed the upgrade of the area's storm and sanitary sewer system. The next stage of construction involves roadway restoration, including grading, milling, and paving.

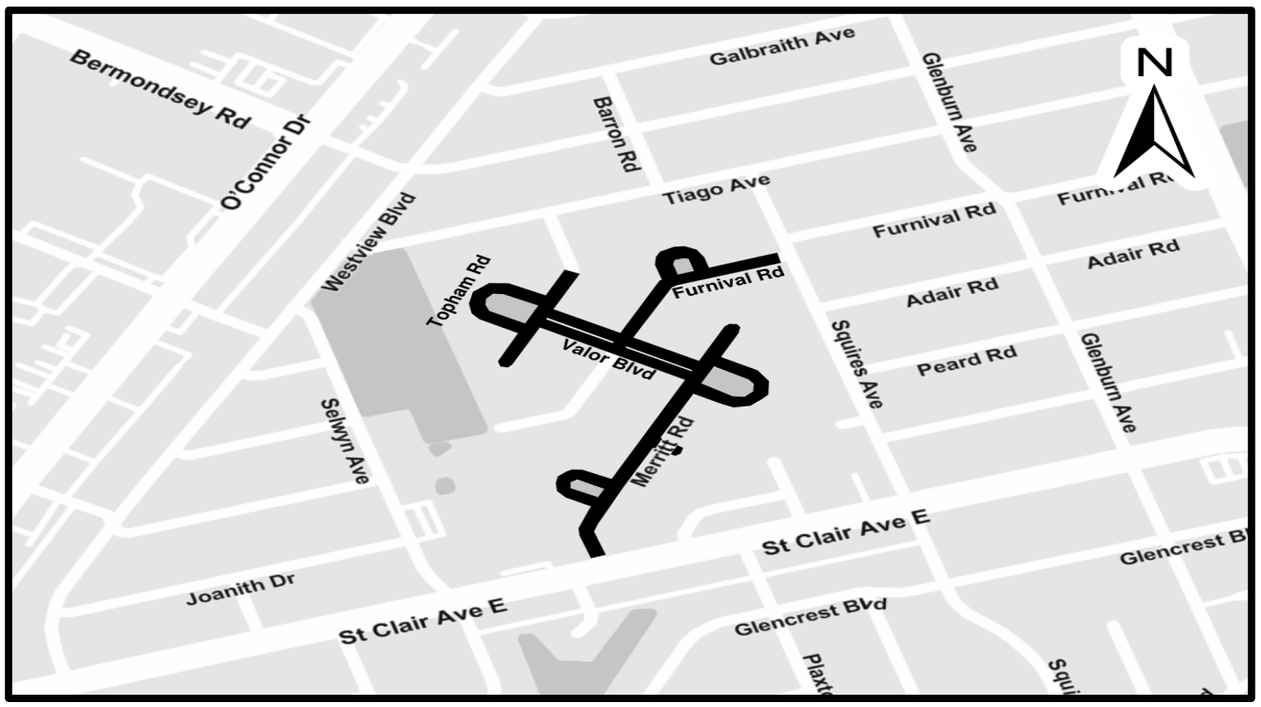

Roadway restoration is a two-step process with grading for paving basecoat road surface first, followed by milling for paving topcoat last.

Typically, this work is done sequentially and as such, work can begin at any time during the work hours specified. Road restoration on Furnival Road, Merritt Road, Topham Road and Valor Boulevard is scheduled to take place between Wednesday, October 28, 2026, through to Wednesday, November 4, 2026, from 7 a.m. to 7 p.m. daily.

During this work, residents will experience temporary restrictions to road and driveway access.

Please note, this work is weather dependent and the schedule may change.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Mill and pave Furnival Road, Merritt Road, Topham Road and Valor Boulevard.
- Road milling and paving will be completed in the areas directly impacted by construction.
- From 7 a.m. to 7 p.m. each workday, Furnival Road, Merritt Road, Topham Road and Valor Boulevard will be closed due to large, heavy construction vehicles occupying the roads.
- Driveway access will be restricted for residents within the work areas. The contractor will provide advance notice to residents affected by access restrictions.

Construction Notice

	**Work Hours**: Road restoration work will take place from 7 a.m. to 7:00 p.m.
	**On-Site Communication:** There are times when contractors need to communicate with homeowners about what is happening on-site. Contractor's staff will be identifiable by their high-visibility company branded clothing. If you need to speak with staff about the construction, please contact the Field Ambassador listed below, or ask for the Site Inspector.
	**Road and Sidewalk Access:** To complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Eemergency vehicle access will always be maintained.
	**Traffic Management**: Road users should expect delays and increased traffic on nearby main and side streets. When driving, please be mindful of pedestrians and other road drivers. Please use the posted detour routes in place.
	**Parking:** This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials.
	**Parking Violation Notices: <u>Please ensure you always park in a legal parking spot.</u>** If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment: 1. Pay the parking violation (follow instructions on the back of the notice) **<u>or</u>** 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you may include the construction notice and/or other documentation related to parking impacts resulting from construction. If you do not have a copy of the Construction Notice, please contact 311 to request a copy. **Please note**: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e. in front of a fire hydrant or in No Parking zones). To reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.
