Road Closure and Installation of Speed Humps on Edinburgh Drive

Contract: 21ECS-LU-04FP
Expected Revised Start Date: November 14, 2026
Expected End Date: November 14, 2026
**Content/dates subject to change.*

The City of Toronto has implemented traffic calming measures, including speed humps, to enhance road and pedestrian safety on neighbourhood streets. Speed humps are intended to slow motor speeds, and two speed humps will be replaced at intervals along Edinburgh Drive. Restoration of the previously removed speed humps is scheduled for Saturday, November 14, 2026, from 7 a.m. to 7 p.m.

During this work, residents will experience temporary restrictions to road and driveway access. Please note that this work depends on the weather, and the schedule may change.

Construction Impact

WORK DETAILS

For this project, the contractor will:

- Install two full-width asphalt structures at intervals along the roadway.
- Edinburgh Drive from Bathurst Street to Westgate Boulevard will be closed from 7 a.m. to 7 p.m. on Saturday, November 14, 2026.
- Driveway access will be restricted for residents within the work area. The contractor will provide advance notice to residents affected by access restrictions.

WHAT TO EXPECT DURING CONSTRUCTION

	**Traffic Management**: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Edinburgh Drive from Bathurst Street to Westgate Boulevard will be fully closed to all vehicle traffic during work hours.
	**On-Site Communication:** There are times when contractors need to communicate with homeowners about what is happening on-site. Contractor's staff will be identifiable by their high-visibility clothing.
	**Pedestrians:** The work may require temporary sidewalk restrictions; however, any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.
	**Work Hours:** Construction will take place from 7 a.m. to 7 p.m.
	**Accessible Accommodation:** The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.
	**Parking Violation Notices: <u>Please ensure you always park in a legal parking spot.</u>** If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, please do one of the following within 15 days of the notice date to avoid additional fines or records being kept of non-payment: 1. Pay the parking violation (follow instructions on the back of the notice) **<u>or</u>** 2. File a Parking Violation Dispute with the City online, by mail, or in person (follow instructions on the back of the notice). As part of the dispute process, you

	may include the construction notice and/or other documentation related to parking impacts resulting from construction. If you do not have a copy of the Construction Notice, please contact 311 to request a copy. **Please note**: Violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e., in front of a fire hydrant or in No Parking zones). To reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction impacts and may need to temporarily park on your street.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector.
