Crescent Town Pedestrian Bridge Over Victoria Park Avenue – Minor Bridge Repairs

Contract: 26ECS-BE-11SB
Start Date: November 2026 End Date: February 2027
**Timeline is subject to change.*

The City of Toronto is repairing the Crescent Town Pedestrian Bridge over Victoria Park Avenue. This work will ensure that the bridge meets today's standards and remains safe for pedestrians into the future. The project is part of the Council-approved 2026 Capital Works Program.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Carry out concrete patch repairs in the bridge interior and substructure.
- Replace joint seals in the bridge.
- Supply and install the missing louvers on the south facia of the bridge.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. We appreciate your patience.

	Work Hours: Work will take place from 7 a.m.to 7 p.m., Monday to Friday, with work after hours and on weekends as required.
	Pedestrians: The bridge connecting Crescent Town to Victoria Park subway station will remain open during the work, with hoarding installed around sections where work is taking place. The sidewalks at street level beneath the bridge will also remain open.
	Traffic Management: This work is not expected to impact traffic lanes. In the rare event that the work requires a lane closure, advance signage will be posted.
	Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as

Please share this notice with the property owner or tenants and post in a common area

	possible. If you experience a disruption, have a specific access need or related accommodation request, contact the **Project Manager** listed below.
	**Restoration:** The construction work area will be restored with sod, concrete and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).
